## Three simple ways to use this pack

- Read one short Bible passage together.

Optional follow-up: ask your child to choose one word and explain what it means.

# Short Bible Story Reading Page

## David and Goliath

When the giant Goliath challenged Israel, everyone was afraid. But young David trusted in the Lord. David did not rely on heavy armor or a sword. He went forward with faith, a sling, and the confidence that God would help him. David struck Goliath with a stone, and the giant fell. God gave victory, and everyone learned that the battle belongs to the Lord.

### Talk about it

What made David brave? What does this story teach us about trusting God when something feels too big for us?
